

HOLLINESS JULAI MWAWASI

NATIONALITY

Kenyan.

PROFILE

A highly motivated and results-oriented recent graduate of Telecommunications Engineering passionate about Telecom systems, eager to launch my career and contribute to the success of a forward-thinking organization. Possessing a strong foundation in ICT principles, network infrastructure, and communication systems, I am adept at problem-solving and eager to apply my technical skills in a practical setting. I am a quick learner, adaptable, and possess a strong work ethic, driven by a passion for continuous improvement and a commitment to achieving excellence in all endeavors. I am confident in my ability to quickly integrate into a team and make a meaningful contribution, While also seeking opportunities for professional growth and development.
